**By the way:** According to the rules of this activity, one period will take half a year. The present period will be finished at the end of June, 2019. In July the next period will start.

**Note:** No score for QSO's on the 60 mtrs band, because there is no exclusive frequency range for CW. Moreover, only short QSO's are desired on this band.

Unfortunately, the evaluation comes very late. I spent another month in the hospital.
